## Daryl Gibb – Colt Starting

Daryl provides an experience that goes far beyond your typical round pen & arena work. In his clinics he deals with the true everyday realities you and your horse will encounter. Crossing bridges & water, even tackling tricky terrain will no longer try your patience.

Being able to communicate with your horse will be an epiphany, one that you never thought achievable. Your sense of satisfaction and accomplishment will open doors you will be willing to ride through, guaranteed!

Your horse is desperately waiting for you to learn its language so you can become the leader it is looking for. You owe it to yourself and your horse to learn the art of equine communication!

## **Roping Basics with Clayton Freemantle**

Clay has been team roping and tie down roping since the age of 10 and has competed at all levels of Rodeo from Little Britches to High School to the BCRA, CPRA and PRCA. Clay has won a horse trailer and saddle at the Instant Ranch Roping, BCRA Finals qualifier, was the

BCRA Tie Down Champion in 2007 and has been PRCA and CPRA money winner.

Clay will be bringing a mechanical steer that's great for learning to rope on and to teach the younger horses. Ropers ranging in age from 10-70 years old and beginners to professionals will be demonstrating their abilities. Team Roping can be a fun family event or a competitive race.

### Christopher Peeler

A native to the Vancouver area, born in 1989, Chris has spent the lion's share of his years involved with horses. His first pony, "Willow", was a challenging Welsh Mountain pony that carried him through his first year of Pony Club at the ripe old age of seven.

The "jump" from Pony Club to the Class "A" Arabian horse circuit began when Chris was ten at a local training barn. It was here that his love for the classic Arabian halter horse was cultivated. Introductions to the world of international

caliber halter trainers and handlers developed over the following years. Learning from "catch handlers" to world leaders in the industry, Chris continues to hone his craft.

Chris has several seasons of starting the "Sweepstake" halter yearlings for their debut in the ring, and has now migrated to the professional arena and is taking on a limited number of clients for the show season. With several of his own halter horses, ranging in age from yearlings to the senior classifications, Chris is planning a very active 2009 show schedule; both in Canada and the United States.

Rayanne K. Irving was Born in WhiteRock BC and raised on a small ranch in Langley BC.

At 17 she left BC in pursuit of her dreams to become a great horse trainer and throughout the years has had the great pleasure of training with some of Canada and the USA's Top Trainers such as Scott Hanson of Alberta, Tom Merryman of Texas and most recently Doug Henry of Armstrong BC. Her goal has not been to specialize in one field, but bring out the best in every type of horse, no matter their level and give young colts the best foundation they could possibly have. Currently Rayanne resides in Langley BC and is training both English and Western while also running a Buckle Series Team Roping Event. For further information on her or her 2009 schedule, please contact her at 604-309-3778 or [genuiwinepride@hotmail.com](mailto:genuiwinepride@hotmail.com)

Rayanne will be teaching young colts how to hook up or "hunt" for a steer which provides valuable tools for a horse later in life, regardless of which events you want to do in the future as it teaches rating, patience and gives the horse a job to do while learning which helps to avoid boredom and resentment in young colts. Rayanne will also be demonstrating how to accustom your horse to a rope while teaching proper positioning for the roping horse.
