### **Overall High Point Awards**

**Ribbons to 8<sup>th</sup> place**

**Fuzziest Horse Award**

**& Much More**

In keeping with past traditions of the Fuzzy Horse Show, the show committee has introduced a format that is designed to make this show an “**Educational Fun Day**” for everyone. We are offering several different series of classes for many rider levels. There is also an “**Ask The Judge**” program. This will fill the need of offering an educational schooling show in our Zone. Competitors of all levels of competence are welcome.

Our Official Judge for this show is AQHA Professional Horseman & HCBC Approved Judge Darhl Paley of Prince George, B.C. At this venue Darhl will take the opportunity to educate and offer a fun recreational experience to the exhibitors. By running the show as close to an Official AQHA Show as possible, the participants will get a general idea of what to expect at an official show. This show will be a great “introduction & preparation” for showing at an AQHA and Breed level. By relaxing some of the AQHA standards the participants will have the opportunity to learn what would be required in future show participation. Spectators are welcome.

South Central hopes that all participants will have a good time and take home the feeling of a positive experience along with some great prizes.

#### **B.C. HERITAGE CIRCUIT SHOW**

Applications for log books will be available at the show

Qualifying classes are marked with\*.

**Paint Alternative Competition (PAC) Approved**
