AMATEUR / SELECT RIDER DECLARATION FORM

Due to the recent AQHA rule changes governing how amateur and amateur select classes are combined, it has become very difficult separating amateur competitors from amateur select competitors for the purposing of awarding BCQHA high points. The 2013 BCQHA AGM passed a motion that all BCQHA amateur and amateur select competitors are required to declare which class (ie amateur and amateur select classes) they wish to be considered for BCQHA highpoints and class awards/recognition. If no declaration is made points in combined classes will be tabulated as "Amateur"
